

# Workers' Compensation Pay-As-You-Go

Pay workers' compensation premiums automatically each payday with our Pay-As-You-Go service powered by Intego Insurance Services. Each payment is based on your actual payroll for the period. Because Intego works with a variety of carriers, you get competitive rates and the convenience of a one-stop shop.

## The Advantages Are Clear:

PAY-AS-YOU-GO SERVICE		TRADITIONAL METHOD
<b>IMPROVE CASH FLOW</b> 	<b>The new way:</b> No pre-payment. Premium is automatically calculated each pay period based on actual payroll data.	<b>The old way:</b> A large pre-payment is required, based on estimated annual payroll.
<b>SAVE TIME</b> 	<b>The new way:</b> Premium is drawn from your bank account. You pay only what you owe.	<b>The old way:</b> Write checks annually, quarterly, or monthly. Late charges for missed deadlines.
<b>ENSURE ACCURACY</b> 	<b>The new way:</b> Because your premium is based on actual payroll data, you minimize the risk of a "surprise" bill at year-end.	<b>The old way:</b> After the year-end audit review, find out if you over or under paid. You may have a big "surprise" bill.
